

Thank you for taking the survey for the Goldsboro Metropolitan Planning Organization (GMPO) Metropolitan Transportation Plan (MTP) Update.

The GMPO is a regional organization that manages transportation planning for the City of Goldsboro, Village of Walnut Creek, Town of Pikeville and areas within Wayne County. The MTP is a federally-required process that helps community leaders make decisions about the priority, timing and funding of future transportation improvements, including roads, highways, public transit, bicycle/pedestrians, and aviation.

Please take a few moments to complete this survey and share with us your thoughts on what you believe are important transportation issues that should be considered in this MTP update...your thoughts and ideas will help shape the future of transportation in YOUR community!

Please mail your completed survey to:

Jennifer K. Collins, Senior Planner, City of Goldsboro, 200 North Center Street, Goldsboro, NC 27530

1. Where do you live? Please enter your 5-Digit ZIP Code. 2. Where does your average daily commute take you? Please enter the 5-Digit ZIP Code. \_\_\_\_\_

3. How often do you use the following to get to work, school, recreation or shopping?

|                              | Daily | 1-3 Times a Week | 1-3 Times a Month | Less than 6 Times a Year | Never |
|------------------------------|-------|------------------|-------------------|--------------------------|-------|
| Bus                          |       |                  |                   |                          |       |
| Bicycle                      |       |                  |                   |                          |       |
| Walk                         |       |                  |                   |                          |       |
| Automobile                   |       |                  |                   |                          |       |
| Motorcycle/Scooter           |       |                  |                   |                          |       |
| Carpool/Vanpool              |       |                  |                   |                          |       |
| Other (please specify below) |       |                  |                   |                          |       |
|                              |       |                  |                   |                          |       |

4. Would you rather use another type of transportation than you currently use? If so, what type and why? \_\_\_\_\_

5. How far is your commute to work/school? \_\_\_\_\_ miles 6. How long does this trip take you? \_\_\_\_\_ minutes

7. If you drive a car to work or school, how many people are in the vehicle? \_\_\_\_\_ people

8. If you have school-aged children, how do they currently get to/from school?

- I do not have school-aged children
- School Bus
- Public Transit
- Bicycle
- Walk
- Automobile
- Motorcycle/Scooter
- Carpool
- Other (please specify) \_\_\_\_\_

9. Would you rather your school-aged children use another type of transportation to get to/from school? If so, what type and why? \_\_\_\_\_

10. What are some specific locations and traffic problems that you encounter on a frequent basis? \_\_\_\_\_

11. How would you rate your satisfaction with the following aspects of transportation in your community?

|   | 5<br>(Very Satisfied) | 4 | 3<br>(Neither Satisfied nor Dissatisfied) | 2 | 1<br>(Very Dissatisfied) | No Opinion |
|---|-----------------------|---|---|---|--------------------------|------------|
| Appearance of streets   |                       |   |   |   |                          |            |
| Availability of alternate routes                              |                       |   |   |   |                          |            |
| Availability of transportation choices                        |                       |   |   |   |                          |            |
| Availability of sidewalks                                     |                       |   |   |   |                          |            |
| Availability of bicycle lanes and paths                       |                       |   |   |   |                          |            |
| Traffic conditions for vehicles                               |                       |   |   |   |                          |            |
| Quality of streets  |                       |   |   |   |                          |            |
| Availability of recreational trails/paths                     |                       |   |   |   |                          |            |
| Accessibility of public transportation                        |                       |   |   |   |                          |            |
| Coordination between transportation agencies, City and County |                       |   |   |   |                          |            |

12. What are the top priorities you would like the community to invest in? Please rank the topics below with "5" as the highest priority and "1" as the lowest priority.

|  | 5<br>High Priority | 4 | 3<br>Medium Priority | 2 | 1<br>Low Priority |
|--|--------------------|---|----------------------|---|-------------------|
| Reduce traffic congestion              |                    |   |                      |   |                   |
| Roadway maintenance                    |                    |   |                      |   |                   |
| Intersection improvements              |                    |   |                      |   |                   |
| Traffic signal timing/coordination     |                    |   |                      |   |                   |
| More Sidewalks                         |                    |   |                      |   |                   |
| Pedestrian safety improvements         |                    |   |                      |   |                   |
| Vehicular safety improvements          |                    |   |                      |   |                   |
| Public transportation (buses)          |                    |   |                      |   |                   |
| Bicycle lanes and paths                |                    |   |                      |   |                   |
| Bicycle safety improvements            |                    |   |                      |   |                   |
| Carpool/Vanpool/Park N Ride facilities |                    |   |                      |   |                   |
| Protect Environment                    |                    |   |                      |   |                   |
| Road Widening                          |                    |   |                      |   |                   |

Thank you for participating in the GMPO MTP 2040 Survey. The following questions are voluntary and not required. Responses are gathered to help determine the types of populations we have reached with our survey.

13. What is your age?

- Under 18
- 18-24
- 25-34
- 35-44
- 45-54
- 55-64
- 65 and over

14. What is your race/ethnicity?

- White
- Black/African American
- Chinese
- Vietnamese
- Korean
- American Indian/Alaskan Native
- Native Hawaiian/Pacific Islander
- Hispanic/Latino
- Other (please specify):  
\_\_\_\_\_

15. What is your annual household income?

- Less than \$12,000
- \$12,000-\$29,999
- \$30,000-\$59,999
- \$60,000-\$79,999
- \$80,000-\$99,999
- \$100,000 or greater

16. How many vehicles are in your household (automobiles, vans, motorcycles/scooters)?

- 1
- 2
- 3
- 4
- 5+
